Our doctors and staff appreciate you for choosing us for your emergency medical care needs. Please read this information about your visit carefully. If you had x-rays taken or an EKG done, these will be re-read by another specialist within 24 hours. Occasionally, these specialists will see new findings. Be certain that we have your correct phone number and address so that we can contact you if needed. Also, if you had cultures taken, the results will not be available for at least 48 hours. You can get the results at your follow-up appointment or call the Resource Nurse at (919) 681-6809. For help scheduling any recommended follow-up appointments please call the Duke Consultation and Referral Center at 888-ASK-DUKE (888-275-3853), Monday - Friday, 7:30 a.m. to 6:00 p.m. EST.
